PER CURIAM:

Barbara Groshans appeals the district court's order dismissing her civil action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Groshans v. England, No. CA-01-1438-A (E.D. Va. filed Mar. 28, 2002; entered Mar. 29, 2002 & filed May 3, 2002; entered May 6, 2002). Groshans' motion to strike the Appellees' brief is denied. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
